TESTIMONIAL

Boutique Citi Flowers has gorgeous flowers. Our clients, friends and colleagues are always full of praise, with the mixed bouquets a favorite in the office. Fresh orchids are a feature in our boardroom and anthuriums for reception.

We find Boutique Citi Flowers easy to deal with, only an email, phone call or quick walk away. They are keen to please, with delivery of flowers always on time.

They are our first call when celebrating a special occasion or sending condolences. With a constant smile on their faces, and very friendly service, I recommend Boutique Citi Flowers for all your floral needs.

Kind regards
